**"Premiere Epic High Peak Marquees "**  
**Protecting life's memories for more than twenty years**

**For the Ultimate in Dramatic Appearance, whether you're looking to make a statement or escape from the clinical monotony of aluminum frame marquees High Peak marquees require a set of poles arranged beneath the vinyl top that support the structure top. The peak tent top is tensioned over the poles and attached to ratchet systems (ropes) at tensioning points around the peak tent perimeter. The peak tent top is secured to the surface using steel stakes.**

**Strong, flexible ,superbly finished , interesting gigantic shapes and well designed**
